Paper Title for the Power and Energy Conference at Illinois

Abstract – A concise abstract (150 words or less) should be included at the top of the digest.

I. Introduction

This paper introduces the format for writing a digest for the Power and Energy Conference at Illinois (PECI). The digest must NOT include author names or affiliations to ensure a blind review process.

II. Section Title

The digest must not exceed 5 pages including all figures, results, and text. Only references may exceed the 5-page limit. The font size should be between 10 and 12 points in Times New Roman or Arial. The title should be in 14 point and bold font. Text should be double-spaced. Figures/tables that show results are encouraged.

III. References

References must be in IEEE format. This section only, may be single-spaced and exceed the 5-page limit.
